More details about the campsites

This year, electric and non-electric caravan sites are both located in a field near the festival area.

We hope that those who bought an electric caravan site would prepare to bring as long a cord as possible, because our own cords are largely used in the festival area.

Please note that a normal Schuko plug works in the camping socket, not a caravan plug. Each caravan place with electricity has a max. 6 amps in use. This means that only charging electricity is allowed. Therefore, electrical devices should not be used.

The tent area is located right next to the festival site. There you can find portable toilets, a water supply point and a campfire. There is also a bar located in the tent area. More information about the bar opening hours from this info's "Spa and Food"-section.

Parking permissions and areas

The campsites parking lots are located at the nearby field (about 300 metres to the festival site), where you can also find the caravan places. There's a parking permit attached this info.

If you are coming to stay at the tent-area, I would recommend you to drop up your friend(-s) with the camping gears near the tent-area, that you don't have to carry them about 300 metres from the parking lot.

Spa and food

The campsite customers can buy breakfast from Pata&Pannu restaurant (in Peurunka Hotel). Pata&Pannu restaurants breakfast time is during the festival at 08.00-11.00 (08.00 am-11.00 am).

The customers have free access to the Peurunka Spa with the campsite wristband during the festival.

Holy Diner - brunch

Brunch is available on Friday and Saturday from 11:00 a.m. to 1:00 p.m., at the Holy Diner tent located in Purga-tori. Grab a brunch on the way, and go enjoy the morning on the grass near the beach, or go listen to artists in the big tent while eating.

Café Dagen Efter

This year, next to the tent area, there is a Café Dagen Efter open to everyone, where tomorrow is carefree! The selection includes refreshments, a roll of bread with fresh juice, a few hygiene items, and sausages that you can fry by the campfire. What more could anyone want in the morning?

Café Dagen Efter opening hours:

thu 2pm - 1.30am

fri 9am - 1.30am

sat 9am - 1.30am

You can find more information about food <https://johnsmith.fi/en/food/>

Purg-tori

As usual, Purg-tori opens before the rest of the festival area, and this year Purg-tori's services are concentrated closer to the center of the festival area. At Purg-tori you will find a merch point, vendors and services, a foodcourt, bars, and much more. The Purg-tori area continues to the beach and tent sauna, where you can go to enjoy your day!
